EVENT REPORT: FRUIT JUICE STALL

Avurudu Function – 2026

Organized by: Babking And Insurance Club, Faculty Of Business studies

Date: 26th April 2026

Time: 10:30 AM

Location: Near LH 6, University of Vavuniya

Venue: University Avurudu Function

1. Introduction

In conjunction with the University Avurudu Function held on April 26, 2026, a Fruit Juice Stall was organized to provide healthy and refreshing beverages to the university community. Given the warm weather and the physical nature of traditional Avurudu games, the stall aimed to keep students, staff, and guests hydrated with natural fruit options.

2. Background and Objective

The initiative was designed to:

- Promote healthy beverage alternatives (fresh fruit juice) over carbonated drinks.
- Support the university's cultural festivities by providing essential refreshments.
- Foster practical management and teamwork skills among the organizing members.

3. Operational Details

The stall was strategically positioned near LH 6, a high-traffic area close to the main event grounds. Operations commenced at 10:30 AM during the peak of the morning celebrations.

4. Menu and Items

The stall specialized in two specific local favorites known for their cooling properties:

- **Watermelon Juice:** Selected for its high water content and popularity as a refreshing summer fruit.
- **Vellari Palam (Muskmelon/Cantaloupe):** A traditional choice for festival seasons, served as a fresh juice.

5. Target Audience

The stall served a diverse group of participants, including:

- Undergraduate students participating in games
- Academic and non-academic staff members.
- Visitors and guests attending the Avurudu function.

6. Implementation

The organizing team handled the full process, including:

- **Sourcing:** Purchasing fresh Watermelon and Vellari Palam from local markets.
- **Preparation:** On-site preparation to ensure hygiene and freshness.
- **Service:** Efficiently managing the queue and serving chilled beverages to the crowd.

7. Budget Details

Description	Amount (Rs.)
Income (Total Sales)	9900
Watermelon	(1200)
Vellari Palam	(1990)
Sugar	(900)
Disposable Cups	(800)
Ice cube	(800)
Hand gloves	(150)
Income over expenses	4060

8. Conclusion

The Fruit Juice Stall was a successful addition to the 2026 Avurudu Function. By providing fresh Watermelon and Vellari Palam juice near LH 6, the project successfully met its goal of refreshing the university community while contributing to the festive spirit of the day

Date : 29th of April 2026
